

The spiritual Warrior

We firstly offer our humble obeisance's to Pramukh Swami Maharaj. Maharaj is a very pure devotee of the Lord.

Although being present before us maya could not touch him as he was above the three modes of material nature.

His smile was oceanic as it draws all the jivas who were fortunate enough by the will of providence to come into contact

With his divine grace. Acharya means one who teaches by example and the personification of this was Pramukh Swami Maharaj.

His divine effulgence caused the darkness of ignorance to disappear. We know maharaj that you are still present through your

Divine instructions (vani) although vapuh (body) is no longer present. You will live always through your instructions and this is the saving

Grace for us fallen souls who are suffering because the supreme lord has withdrawn your association from us.

A true spiritual warrior who established dharma all over planet earth.

Ordinary material words cannot describe your glories adequately. In Bhagavad Gita chapter four text thirty four:

*Tad viddhi ppranipatena pariprasnena sevaya
Upadeksyanti te jnanam jnaninas tattva- darsinah*

Just try to learn the truth by approaching a spiritual master. Enquire submissively from him and render service unto him

The self-realised souls can impart knowledge unto you because they have seen the truth.

You are the embodiment of this verse Maharaj.

Today we are humbly praying that you always keep us close to your lotus feet.
